

Independent Auditor's Report

To the Members of Kiln Solar Energy Private Limited,

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of Kiln Solar Energy Private Limited, ("the Company") which comprise the Balance Sheet as at March 31, 2025 and the Statement of Profit and Loss for the year ended, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31 2025, its Loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Material Uncertainty Related to Going Concern

The company has developed alternative business plans and is confident of continuing the business in a profitable manner. Accordingly, Ind AS Financials Statements have been prepared on going concern basis and do not include any adjustments to the recorded amounts of assets and liabilities in the Ind AS financials statements that may be necessary if the entity is unable to continue as a going concern.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Branch

Reporting of Key audit matters as per SA 701 is not applicable to the company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we enclose in the Annexure – B, a statement on the matters specified in paragraphs 3 and 4 of the said Order.

2. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report; to this report; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
 - (g) According to the information and explanations given to us and on the basis of our examination of the records of the Company, managerial remuneration has not been paid / provided. Accordingly, reporting under section 197(16) of the Act is not applicable; and
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which will have impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
 - i. no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- ii. no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- iii. Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.
- vi. Based on our examination which included test checks, performed by us on the Company has used accounting software systems for maintaining their respective books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of audit, we have not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure – A” to the Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on other legal and regulatory requirements’ section of our report to the members of Kiln Solar Energy Private Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Kiln Solar Energy Private Limited ("the Company") as of March 31, 2025, in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

A Company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

“Annexure - B” to the Independent Auditors’ Report

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of Kiln Solar Energy Private Limited of even date)

1. Fixed Assets:

- a) i. The Company does not have any fixed assets for the current year as on balance sheet date.
 - ii. The Company does not have any intangible assets.
- Accordingly, reporting under paragraph 3, clause 1 (a) to (d) of the Order is not applicable.
- b) In our opinion and according to the information and explanations given to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. Inventories:

- a) In our opinion and according to the information and explanations given to us, and on the basis of our examination of the books of account, the Company does not have any inventory as on 31st March, 2025.
 - b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.
3. In our opinion and according to information and explanations given to us and on the basis of our examination of the books of account, the Company has not made any investments in/provided any guarantee or security/granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii (a) to (g) of the order are not applicable to the Company.
4. In our opinion and according to information and explanation given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013. Accordingly, clause (iv) of the order is not applicable.
5. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 regarding to the deposits accepted from the public are not applicable.
6. The maintenance of cost records has been specified by the Central Government under sub – section (1) of section 148 of the Act, in respect of the activities carried on by the company. However, the overall turnover from all its products and services is less than 35 crores in the preceding financial year. Hence, reporting under paragraph 3, clause (vi) is not applicable to the company.
7. In respect of statutory dues:

- a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has generally been regular in depositing undisputed statutory dues including Income-Tax, Good and Service tax (GST), Cess and any other statutory dues with the appropriate authorities.

There were no undisputed amounts payable in respect of the above were in arrears as at March 31, 2025 for a period of more than six months from the date on when they become payable.

- b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, Good and Service tax (GST) outstanding on account of any dispute

8. In our opinion and according to the information and explanations given to us, there are no transactions not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

9.

- a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans to banks or in the payment of interest thereon to any lender during the year. The terms and conditions for repayment of Inter Corporate Borrowings and payment of interest thereon have not been stipulated. According to the information and explanations given to us, such loans and interest thereon have not been demanded for repayment during the relevant financial year.
- b) In our opinion and according to the information and explanations given to us, the Company is not declared as a willful defaulter by any bank or financial institution or other lender.
- c) In our opinion and according to the information and explanations given to us, the Company has not obtained any new term loans during the year.
- d) In our opinion and according to the information and explanations given to us, funds raised on short term basis have not been utilized for long-term purposes.
- e) The Company does not have any subsidiaries / associates / joint ventures and accordingly, paragraphs 3 clause (ix) (e) and 3 (ix) (f) of the Order are not applicable.

10.

- a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause(x)(a) of the Order is not applicable.
- b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, paragraph 3 (x) (b) of the Order is not applicable.

11.

- a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by any person has been noticed or reported during the year. Accordingly, clause(xi)(a) of the Order is not applicable.
- b) No report under subsection (12) of section 143 of the companies act has been filed in form ADT-4 as prescribed under the rule 13 of the companies (Audit and Auditors) Rules,2014 with the central government, during the year and up to the date of this report.
- c) To the best of our knowledge and according to the information and explanations given to us, no whistle-blower complaints, have been received by the Company during the year.

12. The Company is not a Nidhi Company. Therefore, the provisions of clause (xii) of the Order are not applicable to the Company.

13. In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 188 of Companies Act, 2013 and the details have been disclosed in the standalone Ind AS Financial Statements as required by the applicable accounting standards.
- 14.
- a) In our opinion and according to the information and explanations given to us, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
 - b) As the company does not have an internal audit system, the provisions of paragraph 3, clause (xiv)(b) of the Order regarding the use of an internal audit report are not applicable.
15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of section 192 and clause(xv) of the Order are not applicable to the Company.
- 16.
- a) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause (xvi) of (a) and (b) the Order are not applicable to the Company.
 - b) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) and it does not have any other companies in the Group. Accordingly, paragraph 3 (xvi) (c) and (d) of the Order is not applicable.
17. The Company has incurred cash losses of Rs.244 (in '000s) and Rs.352 (in '000s), respectively, in the financial year and in the immediately preceding financial year.
18. There has been no resignation of the statutory auditors during the year. Accordingly, clause(xviii) of the Order is not applicable.
19. In our opinion and according to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the board of directors and management plans, there are no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on facts up to the date of audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
20. In our opinion and according to the information and explanations given to us, section 135 of the Companies act is not applicable to the company. Accordingly, reporting under clause3(xx)(a) and (b) of the order is not applicable for the year.

21. The reporting under Paragraph 3, clause (xxi) of the Order is not applicable in respect of the audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

KILN SOLAR ENERGY PRIVATE LIMITED

CIN: U74999TN2017PTC117081

Notes to Standalone Financial Statements for the year ended 31st March 2025**1. Corporate Information**

KILN SOLAR ENERGY PRIVATE LIMITED was incorporated on June 2017 having its registered office in Chennai, Tamil Nadu, India, registered under the Companies Act 2013. It is formed to act as a Special Purpose Vehicle (SPV) for the limited purpose to develop, execute, manage and run solar power generation project.

2. Basis of Preparation**a. Compliance with Ind AS**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Details of the Company's material accounting policies are included in Note 3.

b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value;
- defined benefit plans - plan assets measured at fair value; and
- share-based payments measured at fair value.

c. Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

d. Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee, which is the Company's functional and presentation currency.

e. Use of estimates

In preparing these financial statements, Management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized prospectively.

Judgements are made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements and the same is disclosed in the relevant notes to the financial statements.

Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment are reviewed on an on-going basis and the same is disclosed in the relevant notes to the financial statements.

f. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and /or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e., derived from prices);
- Level 3 inputs are unobservable inputs for the asset or liability.

3. Material Accounting Policies

a. Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are rendered to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

b. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

c. Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. The Company measures its tax balances for uncertain tax positions either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and for unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously within the same jurisdiction.

d. Provisions, and Contingencies

Provisions are recognized when the Company has a present obligation (legal or constructive) as result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense. A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provision for onerous contracts i.e., contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on reliable estimate of such obligation.

e. Earnings Per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing: - the profit attributable to owners of the Company - by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
- potentially issuable equity shares, that could potentially dilute basic earnings per share, are not included in the calculation of diluted earnings per share when they are anti-dilutive for the period presented.

f. Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

g. Financial Instruments:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on entity's business model for managing the financial assets and the contractual terms of the cash flow.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sale the financial asset.

Subsequent Measurement

Debt Instruments

i) Financial Assets carried at Amortized Cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss. Impairment losses are presented as a separate line item in statement of profit and loss.

ii) Financial Assets at Fair Value through Other Comprehensive Income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to the statement of profit and loss and recognised under other income/ other expenses. Interest income from these financial assets is included in other income using the effective interest rate method.

iii) Financial Assets at Fair Value through Profit or Loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

v) Impairment of Financial Assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL, as applicable, as the case may be. The amount of ECLs (or reversals, if any) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the profit or loss.

vi) Financial Liabilities

Financial liability and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination, which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vii) Derecognition of Financial Instruments

Financial Asset

A financial asset is derecognized only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset.

Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Financial Liability

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

h. Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of profit and loss under other expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of material provision of a long term loan arrangement on or before the date of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before approval of the financial statements for issue, not to demand payment as a consequence of the breach.

i. Exceptional items

When an item of income or expense within Statement of profit and loss from ordinary activity is of such size, nature or incidence that its disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

j. Recent MCA Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any impact in its financial statements.

b. Rights, preferences and restrictions attached to equity shares

The company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time after subject to dividend to preference shareholders. The voting rights of an equity shareholder on a poll (not show of hands) are in proportion to its share of the paid-up equity capital of the company.

On winding up of the company, the holder of equity shares will be entitled to receive the residual assets of the company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Nature of the Transaction	Name of Related Party	For the year ended 31st March 2025	For the year ended 31st March 2024
Interest Expense - OCD	Refex Green Power Limited	14	14
Interest Paid - OCD	Refex Green Power Limited	13	13
Interest Expense	Refex Green Power Limited	37	10
Loan Borrowed	Refex Green Power Limited	180	397

C. Balance as at year end

Nature of the Transaction	Name of Related Party	For the year ended 31st March 2025	For the year ended 31st March 2024
Interest on OCD Payable	Refex Green Power Limited	13	13
Interest Payable	Refex Green Power Limited	536	499
Loan Payable	Refex Green Power Limited	577	397

14. Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

The Company has reviewed its payables to suppliers and has determined that there were no trade payables outstanding as of 31st March 2025 and 31st March 2024. Consequently, there are no amounts due to Micro and Small Enterprises (MSEs) as defined under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006, as at the reporting dates. This information has been determined based on the Company's available records and relied upon by the auditors.

15. Fair Value Measurements**A. Financial Instrument by Category**

Particulars	As at 31 March 2025			Fair value hierarchy		
	FVPL	FVOCI	Amortised cost	Level I	Level II	Level III
Financial Assets						
Cash and cash equivalents	-	-	117	-	-	-
TOTAL ASSETS	-	-	117	-	-	-

Financial Liabilities						
Borrowings	-	-	42,268	-	-	-
Other Financial Liabilities			624			
TOTAL LIABILITIES	-	-	42,892	-	-	-

Particulars	As at 31 March 2024			Fair value hierarchy		
	FVPL	FVOCI	Amortised cost	Level I	Level II	Level III
Financial Assets						
Cash and cash equivalents	-	-	161	-	-	-
TOTAL ASSETS	-	-	161	-	-	-

Financial Liabilities						
Borrowings	-	-	39,013	-	-	-
Other Financial Liabilities			587			
TOTAL LIABILITIES	-	-	39,600	-	-	-

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., Derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). Accordingly, these are classified as level 3 of fair value hierarchy.

B. Financial risk management

The Company business activities are exposed to a variety of financial risks, namely liquidity risk, foreign currency risks, and credit risk. The Company's management has the overall responsibility for establishing and governing the Company risk management framework. The management is responsible for developing and monitoring the Company risk management policies. The Company risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Board of directors of the Company.

i. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from Company's trade receivables and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure which is as follows:

	Carrying amount	
	As at 31 March 2025	As at 31 March 2024
Cash and cash equivalents	117	161
	117	161

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk.

ii. Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting obligation, associated with financial liabilities that are settled by delivering cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Company has access to a sufficient variety of sources of funding. Having regards to the nature of the business wherein the Company is able to generate fixed cash flows over a period of time and to optimize the cost of funding, the Company, from time to time, funds its long -term investment from short-term sources. The short-term borrowings can be roll forward or, if required, can be refinanced from long term borrowings. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2025 and 31 March 2024.

(Rs. in '000)

Particulars	As at 31 March 2025			
	Less than one year	1-2 years	2 years and above	Total
Borrowings	-	-	42,268	42,268
Other Financial Liabilities	624	-	-	624
Total	624	-	42,268	42,892

Particulars	As at 31 March 2024			
	Less than one year	1-2 years	2 years and above	Total
Borrowings	-	-	39,013	39,013
Other Financial Liabilities	587	-	-	587
Total	587	-	39,013	39,600

iii. Foreign Currency Risk

The Company's operations are largely within India and hence the exposure to foreign currency risk is very minimal.

16. Capital Management

The Company's objectives of capital management is to maximize the shareholder value. In order to maintain or adjust the capital structure, the Company may adjust the return to shareholders, issue/ buyback shares or sell assets to reduce debt. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

The Company monitors capital using a gearing ratio, which is Adjusted net debt divided by Adjusted net debt plus Total capital as below.

- Equity includes equity share capital and all other equity components attributable to the equity holders
- Net debt includes borrowings (non-current and current) less cash and cash equivalents (including bank balances other than cash and cash equivalents and margin money deposits with banks)

Particulars		(Rs. In '000)	
		As at 31-Mar-25	As at 31-Mar-24
Borrowings			
Long term and Short Term Borrowings		42,268	39,013
Less: Cash and Cash equivalents		(117)	(161)
Adjusted Net Debt	(i)	42,151	38,852
Capital Components			
Equity Share Capital		118	118
Other Equity		(42,895)	(39,561)
Total Capital	(ii)	(42,776)	(39,443)
Capital and Borrowings	(iii=i+ii)	(626)	(591)
Gearing Ratio %	(i/iii)	-6738%	-6573%

No changes were made in the objectives, policies or processes for managing capital during the current year.

17. Financial Ratio

The Ratios for the years ended March 31,2025 and March 31,2024 are as follows:

Particulars	Numerator/Denominator	2024-25		2023-24		Variance (in %)
		Amount	Ratio	Amount	Ratio	
a) Current ratio ¹	Current Asset	117	0.19	161	0.27	-31%
	Current Liability	626		591		
b) Debt-Equity ratio	Total Liabilities (Debt)	577	NA*	397	NA*	NA
	Shareholders Equity	(42,776)		(39,443)		
c) Debt service coverage ratio	EBITDA	(202)	NA	(235)	NA	NA
	Principal + Interest	-		-		
d) Return on equity ratio	Net Profit	(3,333)	NA**	(3,213)	NA**	NA
	Shareholders Equity	(42,776)		(39,443)		
e) Inventory turnover ratio	Net Sales	-	NA	-	NA	NA
	Average Inventory	-		-		
f) Trade receivables turnover ratio	Net Credit Sales	-	NA	-	NA	NA
	Average Trade Receivables	-		-		
g) Trade payables turnover ratio	Net Credit Purchase	-	NA	-	NA	NA
	Average Trade Payables	-		-		
h) Net capital turnover ratio	Turnover	-	NA	-	NA	NA
	Working Capital	(509)		(430)		
i) Net profit ratio	Net Profit	(3,333)	NA	(3,213)	NA	NA
	Turnover	-		-		
j) Return on capital employed	EBIT	(202)	NA***	(235)	NA***	NA
	Capital Employed	(509)		(430)		
k) Return on investment	Net Profit	(3,333)	-2398%	(3,213)	-2209%	9%
	Total Assets	138.99		145.50		

Note:

Total Debt = long term Borrowings + current maturities of long-term borrowings

EBITDA = Earnings before Interest, Taxes, Depreciation and Amortization

Principal + Interest = scheduled principal repayment of long-term borrowing + Interest Expense (Except Interest related to ICD)

Working Capital = Current Assets - Current Liabilities

EBIT = Earnings before Interest and Taxes.

Capital Employed = Total Assets - Current Liabilities

Average inventory = Average finished goods + Average Stock in trade

* Debt Equity is not applicable (NA) as the shareholders' equity is negative due to accumulated losses.

**Return on Equity (ROE) is not applicable (NA) as the shareholders' equity is negative due to accumulated losses.

*** The ratio is not presented as net working capital is negative for both years, making the metric non-meaningful for analysis

Explanation:

1. The adverse impact in current ratio is due to increase in current liabilities.

18. Segment Reporting

The Company is mainly engaged in the business of generation and selling of power in India. Based on the information reported for the purpose of resource allocation and assessment of performance, there are no reportable segments in accordance with the requirements of Indian Accounting Standard 108-'Operating Segments', notified under the Companies (Indian Accounting Standards) Rules, 2015.

19. Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standard under Companies Act, 2013 (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

20. In order to simplify numerical data and enhance the clarity of our presentations, we have rounded figures to the nearest thousands as per the requirement of Ind AS Schedule III Amendments. While this approach helps to make data easier to interpret, it can sometimes result in a total mismatch between individual figures and their sum when rounded.

21. Additional regulatory information

a) Details of benami property held

No proceedings have been initiated on or are pending against the Company under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.

b) Borrowing secured against current assets

The Company has no borrowing limits sanctioned from banks and financial institutions on the basis of security of current assets.

c) Willful defaulter

The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

d) Relationship with struck off companies

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

e) Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under section 2(87) of the Companies Act, 2013 read with Companies (Restriction of number of layers) Rules, 2017.

f) Utilization of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries

g) Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

h) Details of crypto currency or virtual currency
