- ii. Liabilities written back in the previous years, aggregating to ₹815.60 lakhs and taken as income in such years consequently impacting the Reserves as at March 31, 2024 and March 31, 2023.

*The above-mentioned balances and classes of transactions do not have sufficient appropriate audit evidence to corroborate the management's assessment of such obligations. Hence, Auditors are unable to determine whether any adjustment might be necessary to such amounts and the corresponding impact on results, net worth and liabilities as disclosed in the consolidated financial results.*

**Management's Comments to Auditor's qualifications:**

*The Management is currently carrying out necessary reconciliations of such liabilities with the corresponding underlying document/contracts and other relevant information. Suitable adjustments arising out of such reconciliation, if any, will be incorporated once such exercise is complete.*

*The qualification on the consolidated financial results was repetitive and continued from the financial year 2018-19.*
