Independent Auditors' Report on Review of Interim Standalone Financial Results

To
The Board of Directors
SunEdison Infrastructure Limited
(formerly known as YKM Industries Limited)

- 1) We have reviewed the unaudited standalone financial results of SunEdison Infrastructure Limited (the "Company") for the quarter ended September 30, 2019 and year to date results for the period April 01, 2019 to September 30, 2019 which are included in the accompanying "Standalone Unaudited Financial results for the quarter and six months ended September 30, 2019", the unaudited standalone Balance sheet as on that date and the standalone unaudited statement of cash flows for the six months ended on that date ('the Statement'). The Statement is being submitted by the Company pursuant to Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, (the "Listing Regulations, 2015), as amended, which has been initialled by us for identification purposes. Attention is drawn to the fact that the standalone statement of cash flows for the corresponding period April 1, 2018 to September 30, 2018 as reported in the Statement have been approved by the Board of Directors, but have not been subjected to review.
- 2) This Statement, which is the responsibility of the Company's Management has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 3) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4) Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material aspects in accordance with applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

As more fully explained in such note of the Statement it is considered appropriate by the management to prepare the financial statements on a going concern basis. Our conclusion is not modified in respect of this matter.

Independent Auditor's Report on Review of Interim Consolidated Financial Results

To
The Board of Directors of
SunEdison Infrastructure Limited,
(formerly known as YKM Industries Limited)

- 1. We have reviewed the unaudited consolidated financial results of SunEdison Infrastructure Limited (the "Parent Company") and its subsidiaries (the Parent Company and its subsidiaries hereinafter referred to as the "Group") for the quarter ended September 30, 2019 and year to date results for the period April 1, 2019 to September 30, 2019 which are included in the accompanying "Consolidated Unaudited Financial results for the quarter and six months ended September 30, 2019", the consolidated unaudited Balance sheet as on that date and the consolidated unaudited cash flow statement for the six months ended on that date (the "Statement"). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, (the "Listing Regulations, 2015"), as amended which has been initialled by us for identification purposes. Attention is drawn to the fact that the consolidated figures for the corresponding quarter and six months ended September 30, 2018 as reported in these financial results and the consolidated statement of cash flows for the corresponding period April 1, 2018 to September 30, 2018 as reported in the Statement have been approved by the Parent Company's Board of Directors, but have not been subjected to review.
- 2. This Statement, which is the responsibility of the Parent Company's Management and approved by their Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The statement includes the results of the following entities which are subsidiaries:

A, Ishaan Solar Power Private Limited B, SEI Tejas Private Limited C, SEI Solartech Private Limited

V K A N & Associates

Chartered Accountants

5. Basis for qualified opinion

Our report on the Statement for the quarter and six months ended September 30, 2019 is qualified in respect of the matters, stated below, in relation to two subsidiaries;

Liabilities aggregating to Rs. 144,897,675 outstanding under borrowings, trade payables and other current liabilities do not have sufficient appropriate audit evidence to corroborate the management's assessment of such obligations. Hence, we are unable to determine whether any adjustment might be necessary to such amounts and the corresponding impact on results as disclosed in the Statement.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, except for the possible effect arising out of the matters specified in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material aspects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. Material uncertainty regarding Going concern

The net worth of a subsidiary (SEI Tejas Private Limited) has been fully eroded as at September 30, 2019 and such subsidiary has also incurred a loss during the six months ended September 30, 2019 thereby raising substantial doubt about the subsidiary's ability to continue in operation for the foreseeable future. However, the standalone Ind AS financial statements of such subsidiary has been prepared on a going concern basis as some of the related parties of such subsidiary have been according financial support in the form of short term borrowings to enable it to meet its working capital related obligations and the management of such subsidiary is confident that such support will continue until such time it is able to meet such obligations on its own. Our conclusion on the statement is not modified in respect of the above matter.

8. We draw attention to Note 6 of the Statement where a subsidiary had transactions in foreign currency with parties outside India relating to various contracts. As at the balance sheet date, there are balances which are receivable/payable from such parties outstanding beyond the period permitted under RBI/FEMA regulations. Moreover, relevant annual filings and returns required to be filed under RBI/FEMA regulation with respect to foreign currency transactions/balances have not yet been carried out by such subsidiary. The subsidiary is in the process of initiating necessary actions to comply with the relevant requirements under RBI/FEMA regulations. Our conclusion on the statement is not modified in respect of this matter.
